FREEDOM BEGINS
at home

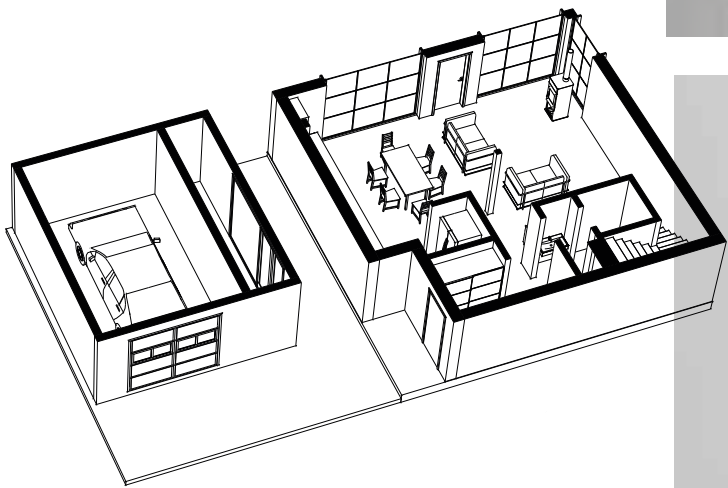

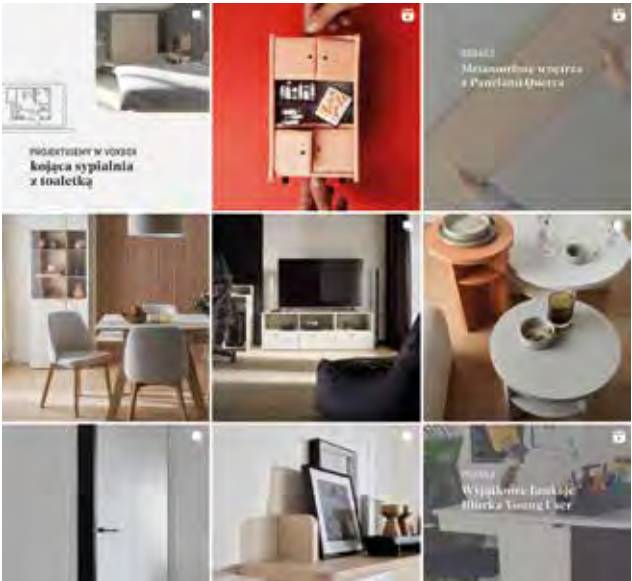

What makes a home liveable? At VOX we believe that we feel best in interiors that we have chosen ourselves. They fully meet our needs and give us a sense of freedom. We don't need to follow defined trends to create a beautiful interior. It is enough to be attentive to what serves us. VOX solutions result from observations of how people live and how they want to live. Our day-to-day aim is to inspire, advise and provide complex, tailor-made interior solutions for flooring, doors, wall systems, furniture and decorative articles.

ARRANGE YOUR INTERIOR WITH US

1 INTERIOR DESIGN

We offer inspirations as well as the support of our consultants, architects and technical experts.

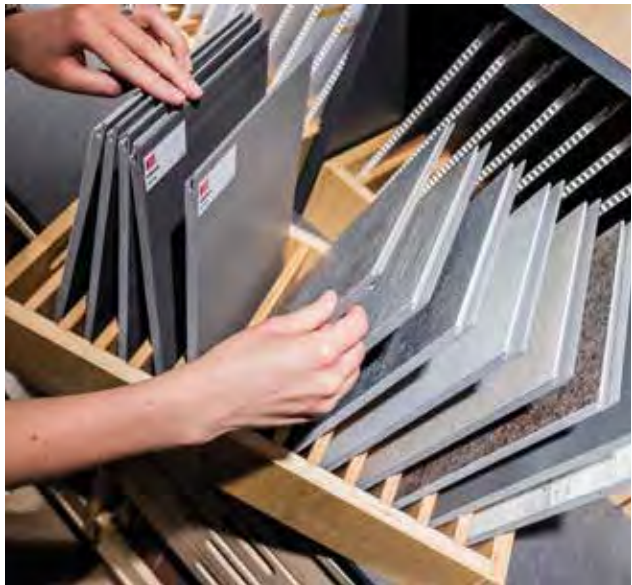

2 CHOOSE FURNITURE, DOORS, FLOORS, WALLS

STOR WARDROBES SYSTEM

UNLIMITED POSSIBILITIES

Stor is a wardrobe system that you can adapt to your interior, type of clothing, accessories and budget. The wardrobes can be free-standing, while additional cover panels create a perfect built-in solutions.

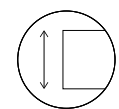

CREATE YOUR OWN STOR WARDROBE

Choose from two heights and five widths to fit the wardrobe into a specific space. To make the choice of the perfect wardrobe easier, we have prepared three ready-made interior designs: Easy, Comfort, and Maxi. We also offer a set of functional accessories.

EASY PACKAGE

The Easy furnishing package is suitable for an adolescent's room, and, - thanks to the well designed space, - it can accommodate all the necessary items. Owing to the built-in lighting, they are easier to find in the evening or at night.

Rods, height-adjustable shelves and lighting - meet our Easy package

High-quality sliding and folding door - the WingLine by Hettich system

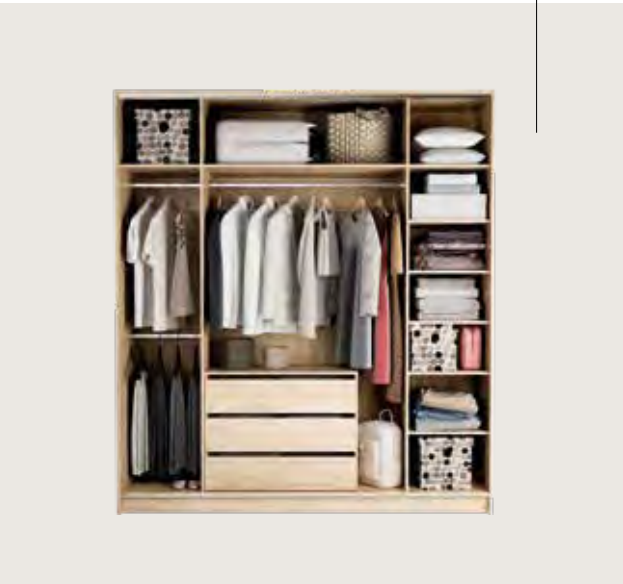

STOR WARDROBES SYSTEM

COMFORT PACKAGE

You can find more equipment options in the Comfort package: additional rods, shelves and containers with soft-closing drawers.

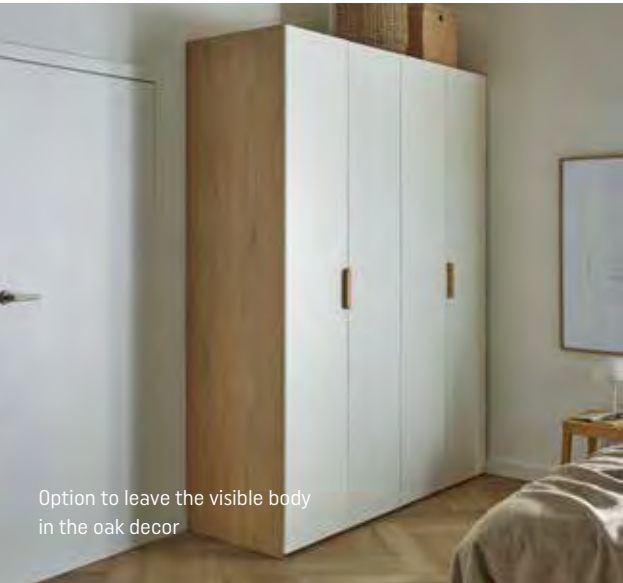

Spacious drawers, adjustable shelves and rods help in organising the space

Standard cabinet interior lighting

Optional organisers for dividing the drawers

Option to leave the visible body in the oak decor

MAXI PACKAGE

Maxi equipment includes a drop-down rod (pantograph), a trouser rack and containers with soft- closing drawers

The drop-down rod provides easy access to high-hanging clothes

Interior lighting

The small container with drawers can be mounted on the left or right inside the wardrobe. Use the free space for long items, e.g. an ironing board

WARDROBE HIDDEN IN THE WALL

In addition to customised dimensions, Stor comes with the option of a built-in wardrobe. Just imagine: a wardrobe that blends in perfectly with the wall, creating a unified whole. An unused recess is given a new lease of life as a discreet and spacious wardrobe.

TWO IS BETTER ONE

Within the Stor system, you can combine several modules into one coherent sequence which results in a perfect fit in large recesses and long walls. This solution opens up numerous storage possibilities! Just imagine: a wall or recess transformed into elegant and roomy storage space for your clothes, sports equipment, suitcases, even Christmas decorations.

A CLOSET DIVIDING SPACE

The Stor cupboard system is a storage solution and a space organiser. Thanks to clever solutions: cover panels, side cupboards with mirrors and side panels, Stor can divide large rooms into smaller, functional zones.

CREATIVE SYSTEM

NEW POSSIBILITIES CREATIVE

Our bestselling Creative collection has been given a makeover. We have introduced extremely eye-pleasing ribbed glazing, and the handles and legs are available in new colours. Do you want to change a piece of furniture inside? Match its colours? It's easy. Creative is your project. With the intuitive configurator, you can decide what your wardrobe, chest of drawers or desk will look like.

HOW TO CREATE YOUR OWN FURNITURE

11 body and front colours, 12 types of handles including a push-to-open option, 12 types of legs. This wide palette of choices will allow you to create furniture perfectly fitted to your needs. You can create from scratch or use our ready-made compositions and change just some elements like the colours. Feel free to experiment. The configuration tool won't let you design non-functional furniture.

The Creative system is available with two types of glazing: smooth transparent and ribbed glass which creates subtle light reflections, making the surface interesting and attractive.

CREATIVE CABINETS

Glass display cabinets can offer practical storage space and be a key design element. Glass cabinets are especially useful in the living or dining room to display favourite items and give the space character.

Display cases are extremely practical furniture. They visually enlarge the space, and their contents can become a key interior decoration.

WARDROBES, DRESSERS AND BOOKCASES

The Creative system allows you to arrange furniture that is perfect for storing everything you need. A dresser with spacious drawers, or maybe a three-door wardrobe with an add-on? Glass rather than a solid door? Choose one of our proposals or customise your furniture in the Creative configurator at voxfurniture.com.

The Simple bed is a comfortable place to sleep as well as a practical storage solution - the bedding box can hold everything you need. Available in 5 sizes and customisable.

Integrated lighting with a built-in sensor inside the drawer makes it easier to find items. This solution is particularly welcome, especially in the dark.

A real wardrobe encased in one piece of furniture. It is equipped with a folding door that does not take up bedroom space when opened and allows access to the contents of the wardrobe.

FUNCTIONAL OFFICES

Create your dream desk by choosing the colour of the body, the fronts, the handles and the type of legs. The back of the desk hosts a groove under a hinged flap where you can place an electric power strip with cables. The beech wood accessories will help you organise your office supplies.

OMM COLLECTION

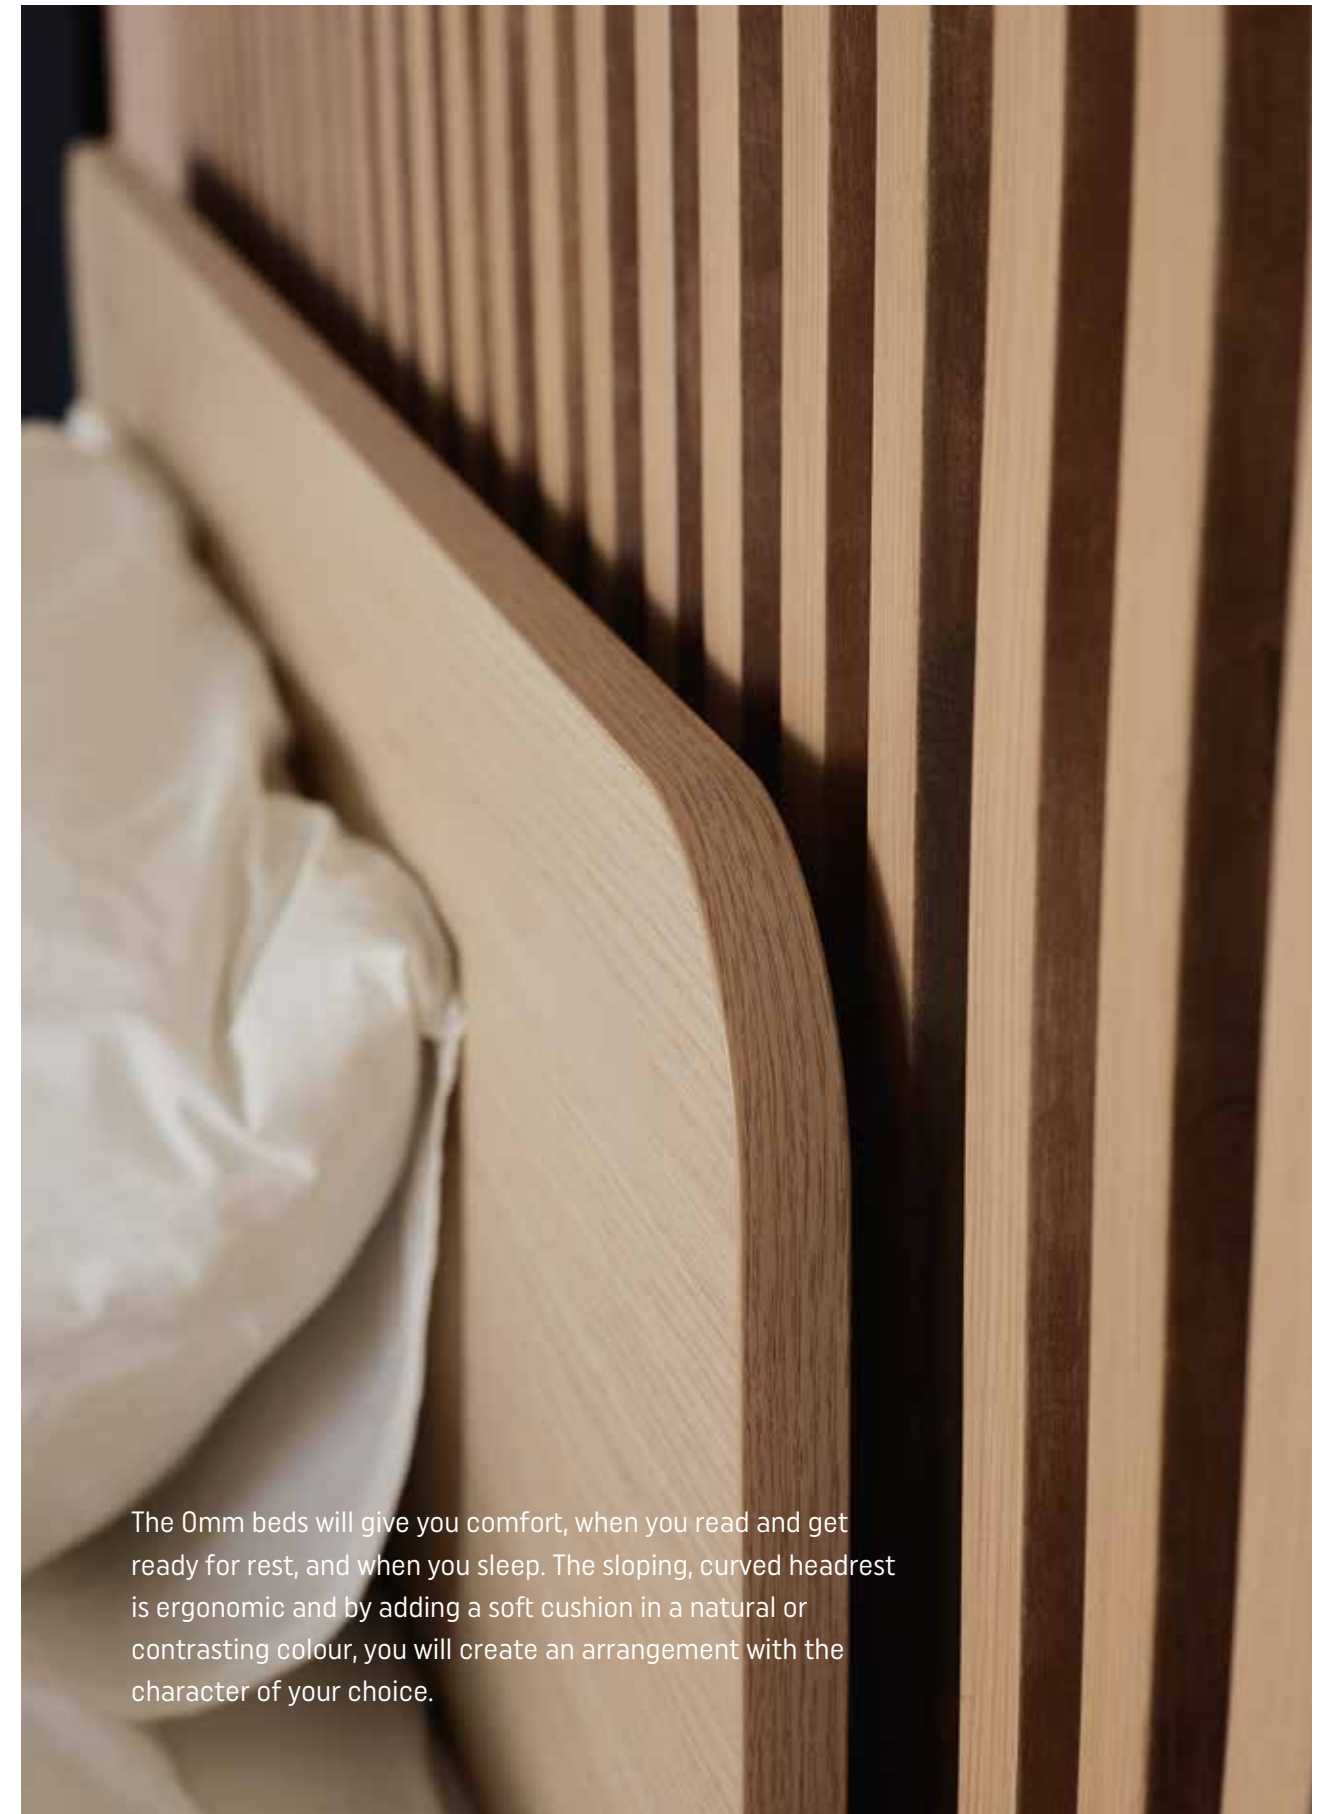

COLLECTION FEATURES

Furniture with wooden elements is a choice for years to come. Oak, rounded and ergonomic handles are pleasant to the touch, while the solid rounded legs give Omm a light and unique character. These sublime details will bring harmony and much gentleness to your interior.

Designer
BOGUSZ JAGIEŁŁO

The Omm beds will give you comfort, when you read and get ready for rest, and when you sleep. The sloping, curved headrest is ergonomic and by adding a soft cushion in a natural or contrasting colour, you will create an arrangement with the character of your choice.

DESK OR DRESSING TABLE

The Omm dressing table can be a great alternative to a desk. This small piece of furniture will fit even in a small bedroom. The opening mirror will help you get ready in the morning. While working, you can close it and focus on the tasks at hand.

The Omm mirror, inspired by theatre costume rooms, has hinged sides that can be adjusted to any position for a comfortable view

There are 2 spacious drawers under the dressing tabletop

WARDROBES AND BOOKCASES

The Omm wardrobe is equipped with clever solutions and functionally organised to keep it tidy easily. The folding door provides quick access to the contents of the wardrobe, and the built-in LED lighting will make busy mornings less hectic.

NATURE COLLECTION

COLLECTION FEATURES

The Nature collection was inspired by the love of natural materials and the conviction that any space can be wisely and beautifully used. Nature will easily match all kinds of interiors: large open spaces, classically divided into rooms or even the smallest areas that require care when arranged. The solid shapes can accommodate a lot and the slanted wooden legs will add lightness to the room.

Designers
TABANDA

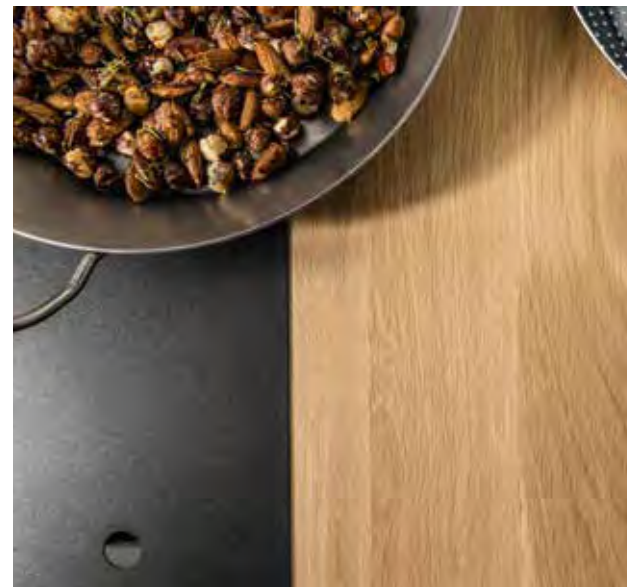

TABLE WITH NATURAL OAK TOP AND DRAWERS

The Nature table is made of noble oak wood, with each specimen being unique and exceptional.

A powder-coated recess,
resilient enough to
accommodate hot objects
without damaging the
material's structure

The table has six
spacious drawers

Slanted wooden legs are
an element shared by all
furniture in the Nature
collection

The double-sided chest of drawers will subtly divide large areas, assigning them new functions.

If you want your bedroom's atmosphere to imitate nature, a bed with a wooden headrest made of solid oak is a great choice. Its open-work design will bring a touch of lightness and airiness. You can also choose a full headrest inclined at a comfortable angle and finished with a soft edge.

RELI COLLECTION

COLLECTION FEATURES

Reli is a collection of furniture that allows you to create a unique and functional room for your child! Choose the layout and number of fronts with round cutouts to create unique furniture. Closed wardrobes? Open shelves? It is easy with Reli! Solid workmanship and the best materials guarantee durability. Drawers with soft-close mechanisms, rounded edges and levelling mechanisms can withstand even the most energetic kids. Reli furniture offers clever solutions: a desk with space for gaming equipment, practical dressing tables, comfortable beds and spacious wardrobes – the Reli collection has everything your child needs.

DESKS FOR EVERYONE

The compact dimensions make the extendable desk from the Reli collection an ideal solution for small children's and teenagers' rooms. Larger desks are also available.

A large worktop provides comfort of work and study, with a functional recess for organising cables under the worktop

A spacious roll-out container

A mobile stand for convenient organisation and management of the computer's central unit

DESK 160 WITH MOBILE COMPUTER STAND

DESK 140

MATCHING DRESSING TABLE

With the Reli dressing table, you can easily set up a practical beauty corner. Its small size makes it suitable for any bedroom. Thanks to its compact design, it can also be used as a desk. A wide, spacious drawer will help you organise all your accessories. Owing to a dedicated add-on, getting ready for going out will become easier.

A spacious drawer with a soft-close mechanism

A back-lit, tilting mirror

A comfortable, rounded worktop

The Reli bunk bed is a place to sleep, to play and build forts.
When your needs change, you can convert the bunk bed
into two single beds.

The narrow Reli TV stand is perfect for creating an entertainment centre in compact interiors. In addition to its superb functionality, the piece of furniture stands out with an original opening in the front - the best place for a gaming console.

The wardrobe is deep enough to allow for convenient clothes hanging. The rail can also be lowered for younger children to use the furniture without assistance.

CONCEPT COLLECTION

ENERO

COLLECTION FEATURES

Need an idea for a teenager's room? The Concept collection can cleverly fit all adolescent matters. And when your teenager wants a change, it will be easy to replace the coloured fronts and create a brand-new room. A powerful touch changes everything. Blue, red, saffron, black, pink and oak décor - choose your front colour and give your interior any character you want. The collection are stands out for its silicone sleeves in the openings, which act as handles - always matching the colour of the front. The natural oak legs lend lightness to the capacious, geometric solids. The height of the legs makes cleaning easier.

SPOT YOUNG COLLECTION

COLLECTION FEATURES

The Spot Collection is an invitation to the world of childhood play. Inspired by the hours spent at the playground, on swings, building forts and playing hide and seek - it brings in the energy and dynamics captured in the levitating slender shapes and swinging organizers.

The Spot closet with additional hangers makes the dream of your first own wardrobe come true.

NATURE YOUNG COLLECTION

THE PERFECT DESK

The clever desk from the Nature collection offers invaluable support for working, studying and developing passions. Thanks to its compact size, it can be placed in your bedroom or living room, organising a comfortable office corner. The furniture will also work well as the heart of a modern home office. The size and form of the desk do not overwhelm the interior, and the work surface (130x60 cm) provides plenty of room.

The rounded edges of the desk give comfortable support for your arms, even during long hours of work

UPHOLSTERED FURNITURE

Settle in, cuddle up, lay down, relax... It's a dream come true at home. Sofas, armchairs, ottomans, and loungers are favourite pieces of furniture for all household members. They provide comfort and create a cozy atmosphere. At VOX, we pay special attention to their quality, craftsmanship, appearance, and usefulness. Our designers have come up with beautiful and classic solutions, as well as modular sets that can be adjusted to the rhythm of family life. At VOX showrooms we have prepared testers of all the fabric used in our upholstered furniture. You will also find out about their availability for specific collections.
